Littlestown Thursday Night Beginners Group

The Littlestown chapel meeting is held on Thursday nights at 7 PM located at Littlestown Chapel on Bollinger Rd. The current Littlestown meeting was started in September 2004 by Tim, Mike, Jim, Chuck, Chris, and Lisa. The first couple of meetings were held at Jim home. Tim was designated by the group to try to locate a hall. He was able to acquire the Littlestown Chapel. The church community were very excited and supportive in getting the meeting up and running. The group immediately registered with GSO.

Prior to the current meeting there was another Littlestown meeting held downtown by the fire station This meeting folded due to lack of support. Ann and Norm were instrumental in attending that meeting.

The Littlestown group has a tradition of holding group conscience meetings at one of the members home every 3 months. This tradition enhances fellowship and the meetings are not rushed and allows for better attendance since most members have weekends off. A typical Sunday meeting involves breakfast of eggs, bacon, sausage, and donuts which members cooked up. As the breakfast winds down, the GSR calls the meeting to order and group concerns are addressed. It can be a real spiritual experience at times. Jobs are assigned at this time on a 3 month rotation. God is indeed working through our group conscience.

The group focuses on the beginners where we try to connect with the newcomer and get them involved in AA. The group studies the steps and traditions . The first three meetings of the month focus on a step. The fourth meeting of the month covers a tradition. The group has grown in the last seven years.

We have had outside "eating meetings" seasonally and have tried many things from babysitting services that the group has gradually phased out. One night each month, group members jump in a truck/car and travel to other meetings allowing fellowship and each members gets a chance to connect with other members as well as hearing other groups' message.

THE 12 CONCEPTS

CONCEPT III

As a traditional means of creating and maintaining a clearly defined working relation between the groups, the Conference, the A.A. General Service Board and its several service corporations, staffs, committees and executives, and of thus insuring their effective leadership, it is here suggested that we endow each of these elements of world service with a traditional "Right of Decision."
