 - Should AA develop a 12 step study guidebook
 - Should AA Grapevine take contributions?
 - Should AA alter some wording in Money and AA pamphlet
 - How should we define the geographical boundaries as far as Area servants if nearby. Perhaps put a mileage boundary on it?
 - Should we produce a 12 step animated video? Could it become an income producer as it gains followers on YouTube?

 - Discussed moving location of GS Conference. Go to website to gain updates.
 - Big Book getting new addition. Nothing in first 164 pages will change. Stories in the back may change.

Old Business

- GSR's! Promote the service positions that are vacant: Corrections facilities would like AA meetings brought to the facilities for Adams and Franklin Men inmates and Adams and Franklin Women inmates. The rep that rises up just has to connect with facility volunteer coordination and then recruit AA member volunteers. Make a phone call to introduce yourself, ask when Orientation is, obtain an electronic version of the Application (which there is also one on D35 website), go to meetings to solicit help, and match volunteers with the time at the facility for their meeting.
- Gwen gave an update. Gwen is the planning chair for the Quarterly Area Meeting that D35 is hosting. The quarterly meeting is schedule for Sept 13, at Norlo Park in Fayetteville from 9-4. Volunteers come earlier. Committee planning meeting is on June 13th 1:30PM at St. James in Gettysburg. Currently Gwen has four volunteers and will need more. Help with food, table and chair set up, and take down.

New Business:

Cassandra is going to be of service to both county corrections.

Meeting ended at 8:06PM. With the Responsibility Statement.
