OLD BUSINESS

Area 4th Quarter meeting

- Hosted by our District 35. Gwen is POC. This past Saturday was a planning meeting, first of a couple. About 10 volunteers. Gwen is planning on an additional meeting between now and the Sunday Sept 13th meeting.

Group Insurance (COI-Certificate of Insurance)

- Jim from Mercersburg brought up the issue of being sued by someone injured at a meeting. The long story short is that Elmer is going to reach out to Regional, Area and even possibly NY to learn what we can/need to do to protect AA members. The concern is that if someone decides to sue for injury while at an AA meeting, churches want protection. Some have begun asking for COI to protect them.
